

X-Linked Hypophosphatemia (XLH) Research Survey

We are looking for individuals diagnosed with XLH, at least 18 years of age or older, to participate in an **online survey**. Our goal is to learn about your experience with XLH and how your XLH has been managed in the healthcare system.

Participation

- No medications will be given as part of this study
- The survey will take less than 30 minutes to complete
- Your participation in the study will end upon completion of the survey

Compensation

Eligible study participants will receive \$25 upon survey completion.

How do I participate?

If you are 18 years of age or older, and have XLH, you might qualify. If you are interested in participating, or would like more information, please contact us using the following e-mail address and **include “XLH” in the email subject line** to see if you qualify.
